

# LUCAS NOËL

Lucas Noël is a multi-talented French actor with a diverse range of work in film, television, and theater. He has collaborated with renowned directors like Michel Gondry and appeared in notable projects such as "The Book of Solutions" and the award-winning short film "Malamour."

In addition to acting, Lucas is a skilled musician, singer, and composer, having created the original score for "Malamour." He has also showcased his creative talent as a director in the film "Volta."

Lucas Noël's impressive body of work demonstrates his versatility and dedication to the arts, positioning him as an emerging talent in the French entertainment industry.
