

# MICKAEL KANDY

Mickael is a seasoned actor with a diverse background in theater and television. After beginning his career with notable roles in "Oedipus King" and "Waiting for Godot", he made the transition to television, appearing in various series and commercials.

Recently, Mickael has returned to the stage, taking on the pivotal role of Captain Adam Brant in the compelling play "Mourning Becomes Electra", a modern adaptation of the classic Greek tragedy "Oresteia".

His ability to inhabit complex characters and bring depth to emotionally charged performances showcases his versatility and talent as an actor.
